Phase 2a

In this part of the test, you are going to listen to two recordings and answer some questions. You can make notes [*indicate paper*] if you want to.

You hear two people talking about their plans for the weekend. [*Hand each candidate the booklet open at the correct page.*] Where do they want to go at the weekend? To a town, to the mountains, or to the park?

Where do they want to go at the weekend?

to a town

to the mountains

to the park

Listen to the information. [*Play CD.*]

Listening script 1:

I want to go to Littlegate this weekend. My cousin lives there and there are shops, a cinema and great restaurants. It's easy to get there. A return ticket by train only costs £7. There's a brilliant market too and we want to go there to buy some jeans.

Listening script 2:

I want to spend the weekend there with my friends. We usually go there in winter to ski, but this time we want to climb to the top – it takes about 4 hours, but then you can look down on the sea. I just hope my new boots are comfortable!

_____ (*Candidate A*), in the **first** recording, where does the woman want to go at the weekend? To a town, to the mountains, or to the park?

Thank you.

_____ (*Candidate B*), in the **second** recording, where does the man want to go at the weekend? To a town, to the mountains, or to the park?

Thank you. [*Take back booklets.*]

Now listen again, and answer these questions.

_____ (*Candidate B*), in the **first** recording, who can the woman see in Littlegate? [*short pause*] And how much is a return ticket?

_____ (*Candidate A*), in the **second** recording, how many hours does it take to climb the mountain? [*short pause*] And what is the man worried about?

[*Play CD again: scripts as above. At the end of the recording ask each candidate in turn their two questions again. After each question, wait for the candidate's response.*]

Thank you.

🕒 3 – 4 minutes

Phase 2b

Now you're going to talk together about places you like to go to at the weekend. Talk to each other about places that you like to go to, and what you like to do there.

[Repeat if necessary. Withdraw eye contact to signal start of activity.]

If necessary, prompt candidates with questions from the box below (e.g. if students are experiencing difficulty in continuing the interaction or if they stray from the topic). Adapt if necessary. Encourage candidate-candidate interaction by eliciting agreement or alternative opinions from candidates by asking questions such as "What do you think?", "Tell us what you think.", "And you?"]

Weekend plans – prompt questions

Who do you like to go out with at the weekend? (What do you do?)

Do you like going to new places? (Why?/Why not?)

Which places are good for children to go to?

What do people in your country like to do in their free time?

Thank you. That is the end of the test.

[Ensure candidates DO NOT leave the room with the candidate booklet.]
